

EMERGENCY NOTICE: INTENTION TO PRESENT PETITIONS FOR PRIVATE BILLS
Parish of Cheam Ward, Sutton, Borough of London

This is an **urgent notification** from **Lord Lancelot Junior Webb**, of 5 Carisbrooke Court, Station Approach, Cheam, Sutton, England, SM2 7BN, regarding the immediate presentation of petitions for Private Bills to the House of Lords during the January 2025 parliamentary session.

The petitions address critical public health, safety, and community needs, including:

1. Authorisation of prior petitions for **emergency public and private health works**, specifically for Windrush Generation parishioners and HL Health Board CIC units.
2. Urgent allocation of **£100,000,000** and a **£84,000,000 business start-up instalment** to improve health, safety, and infrastructure across England, Wales, and Commonwealth regions.
3. Rapid implementation of **mental health and safety planning**, environmental protection, and public inspection systems.

Immediate Action Required:

Documentation is available for **public inspection** online at <https://www.houseoflancelot.org/> and at designated locations, including Sutton Council Offices and Cheam Parish Church.

Stakeholders are requested to submit urgent representations or objections no later than **31 January 2025** to support the commencement of these operations.
